

AAP Grand Rounds Editorial Board—Nephrology

AAP Grand Rounds is seeking an editorial board member with a focus in nephrology to review nephrology-related journal articles and write commentaries on those articles.

Responsibilities

- Write **9–10 expert commentaries** per year on articles in the medical literature, each with a CME question.
- Submit according to the deadlines set forth by the editors (**10 days** from receipt of the article summary).
- Provide revisions in a timely manner—usually within 48 hours.
- Complete an AAP Full Disclosure Statement online each year.
- Scan the literature and propose articles to the editor and deputy editor.

Qualifications

Fellow of the American Academy of Pediatrics; board-certified medical doctor.
